

Grade 6& 7

Fabric Painting

April 2025

Title of the activity: Fabric painting

Classes involved: Grade 6 - 7

Month and year: April 2025 - 2026

1. Description of the activity:

Fabric painting is a creative art form where students use fabric paints and brushes to design and decorate textiles such as cotton cloths, handkerchiefs etc. In this activity, students were introduced to different types of fabric paints and techniques such as dabbing, block printing, and freehand painting. The session allowed them to express their creativity by painting unique patterns, motifs, and designs on pieces of fabric.

2. Objective of the Activity:

- To encourage creativity and self-expression through art.
- To introduce students to the basic techniques of textile design.
- To develop focus, patience, and attention to detail.
- To make students aware of sustainable and personalized fashion/art.

3. Learning Outcome:

1. Participants learned to apply various painting techniques on fabric.
2. Students understood the importance of planning and sketching designs.
3. They produced a finished, hand-painted fabric piece, showcasing their skills.
4. They gained knowledge of color combinations and fabric types.

4. Skills Involved:

- ★ Creativity and Imagination
- ★ Fine Motor Skills
- ★ Color Theory
- ★ Planning and Execution
