

SHOW AND TELL COMPETITION

MONTH: July

❖ OBJECTIVE OF THE EVENT:

To foster public speaking and confidence building skills.

To enhance cognitive, communication and descriptive abilities.

To encourage curiosity, creativity and knowledge acquisition.

❖ EVENT DESCRIPTION:

Students brought various items including favourite toys, fruits and props related to the topic which they had chosen. They confidently described their items, explaining the significance to their teachers and peers.

All the students participated with remarkable enthusiasm, showcasing a wide range of interesting objects. Children demonstrated creativity in their presentation, most of the children using handmade props to enhance their descriptions. There was a visible improvement in their verbal communication, descriptive language, and ability to express their thoughts clearly. The competition helped children overcome shyness and present with great confidence and poise.
